13. Brief work experience during service period -

During the period of Service from Feb 1986 to 30 Sep 2022, I have worked in MES for more than 34 years and 2<sup>nd</sup> years in Indian Coast Guard (on deputation). All throughout, I have mainly worked as an Engineer expert in execution & supervision of construction related works, maintenance of infrastructure in the Military Stations and Cantonments, planning of major projects- Runways, Hangars, Buildings, Road Water Supply, Electric Supply, etc. The Contract Management has been the core activity throughout the career.

In addition, associated budget management was also part of the job throughout. All facets of procurement activities- scheduling to purchase were also undertaken during the various tenures. I have been Arbitrator for three works, out of which one award was published and two couldn't be completed due to posting out of the u/s. I was the nominated/ex-officio Govt rep to defend more than ten Arbitration cases, most of which were in favour of Govt.

14. Experience in handling tenders (the post & the period during which tenders were handled needs to be mentioned specifically)-
