**115 SAPLINGS PLANTED BY POWERGRID UNDER POWERGREEN-2021  
AT KARBIGHIA TOWNSHIP, PATNA**

**Patna/Gurugram, 06.09.2021**

Power Grid Corporation of India Limited (POWERGRID), a Maharatna Public Sector Undertaking under Ministry of Power, has started a special tree plantation drive under POWERGREEN-2021 ("Each One Plant One") initiative. Under this special campaign, tree saplings have to be planted by all the personnel working at POWERGRID, in each part of the country, in the run up to its foundation day on 23/10/2021.

About 115 saplings were planted by personnel of Eastern Region-I Headquarters on 6<sup>th</sup> September, 2021, at POWERGRID Township, located at Karbighia, Patna. About 550 saplings will be planted in all the sub-stations of Bihar and Jharkhand.

Apart from the main business of power transmission, this Maharatna company has always been conscious for environmental protection, and fulfils its responsibilities to keep the environment green.

POWERGRID has presently 172,154 ckm of transmission lines, 262 Sub-stations and more than 446,940 MVA of transformation capacity. With the adoption of latest technological tools and techniques, enhanced use of automation and digital solutions, POWERGRID has been able to maintain average transmission system availability >99%.
